Inflection Logo Guidelines

© 2016 Inflection.com, Inc.

LOGO SYMBOL

The logo is the most visible element of our identity—a universal signature across all Inflection communications.

Because the logo is such a recognizable and highly visible brand asset, it is vital that it is always applied consistently wherever it appears.

LOGO CLEARSPACE

The clearspace of the logo is based on the height and width of the “o” and allows for ample breathing room when used.

To ensure legibility the Inflection logo should not be reproduced any smaller than the specified minimum sizes shown.

LOGO DON'TS

The logo and lockup should always be reproduced from the master artwork. It should never be altered, redrawn or manipulated in anyway.

1. Don't apply effects onto the logo
2. Don't change the color of the logo
3. Don't stretch the logo
4. Don't rotate or crop the logo
5. Don't mask photos into the logo
6. Don't change the font for logo
7. Don't invert the logo
8. Don't outline the logo
9. Don't place colored logo on dark background
10. Don't place logo on colored background or graphic elements
11. Don't fill with secondary color, or create undocumented color combinations
12. Don't place white logo on light colored backgrounds
